## The Kaua'i Pain Conference Opportunity

The Kauai Pain Conference (KPC) presents the latest information in pain management and has become a forum to:

- Discuss the treatment of pain
- Establish best practices
- Learn and review emerging treatment options

### What Sponsors Say

"We've never been taken care of better than at Kaua'i Pain - that's why we return each year."

### What Attendees Say

"As a result of attending [the Kauai Pain Conference], I'm better able to explain the risks of opioid medications."

"I will increase the use of functional evaluation metrics in my practice."

"I will more-often refer cases to a pain specialist."

The Island of Kaua'i

## About

The Kaua'i Pain Conference (KPC) is the premier pain conference on the Hawaiian Islands.

KPC began in 2014 following the opening of the Spine and Pain Center of Kaua'i (SPCK) as a sister conference to the renowned Napa Pain Conference ([NapaPainConference.com](http://NapaPainConference.com)).

KPC connects the best and brightest minds in the fields of pain management and neuroscience with learners and public policy officials. With a world-class Program Committee and insightful and dynamic presentations, this is your opportunity to connect with your clients from the Mainland and Hawai'i.

## Overview

Pain affects more lives than those affected by heart disease, cancer, and diabetes combined.

The Kauai Pain Conference offers a unique forum for sharing advances and standards in pain management and treatment for colleagues in all disciplines of medicine, with exceptional content presented by national leaders in pain medicine, patient safety, community health, and the regulatory environment. The appropriate assessment and treatment of pain has a far-reaching impact on morbidity, mortality, quality of life, and economics — of individuals, communities, and across the healthcare system.

The Kauai Pain Conference attracts a mix of senior-to-mid career physicians, private practice owners, advanced practice providers, researchers, industry, students and pharmacists. Specialties in attendance are pain management, family medicine, internal medicine, primary care, emergency, oncology, and anesthesiology.

## Accreditation

### ACCME / AMA

SpectrumCare is accredited by the ACCME to provide continuing medical education for physicians.

SpectrumCare designates this live activity for a maximum of 12.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### ABA MOCA 2.0®

Approved for ABA MOCA 2.0®: Maintenance of Certification in Anesthesiology™ Program, Medical Knowledge & Patient Safety CME.

### Physicians of Osteopathy

The American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA 2-B credit.

## Creating a Community

### Making Pain a Priority

When were you last passionate about education?

Through a focus on instructional design and learner needs, we create enthusiastic fans who return year-over-year and help to spread the word that quality content happens at KPC.

World-class speakers lead every session, continuing our tradition of excellence in education. The conference centers upon developments in pain management, science, and treatment, with forums for learner engagement.

Saturday's Community Forums included healthcare leaders from across the country, state officials, regional societies and local institutions, united around systems-level challenges impacting the treatment of patients with acute and chronic pain.

The 2018 Community Forum workshops featured:

- Compliance with SB505
- Informed consent & patient/provider contracts
- System-level approaches for coordinating care and opioid tapering

## Content

\* Schedule subject to change

Thursday, March 5 includes a Pre-conference Workshop on Evidence-Based Regenerative Medicine.

The Main Conference will be Friday and Saturday, March 6-7, and includes:

- The Neuroscience of Pain
- The Impacts of Chronic Pain upon Sexual Health
- Non-pharmacological Strategies for Addressing Chronic Pain
- Minimally-invasive Therapies
- Ensuring Proper Prescribing Patterns
- Musculoskeletal Disorders and Pain

### 97%

of attendees recommend the Kaua'i Pain Conference to colleagues

### 99%

of learners change their practice as a result of attending

## Audience

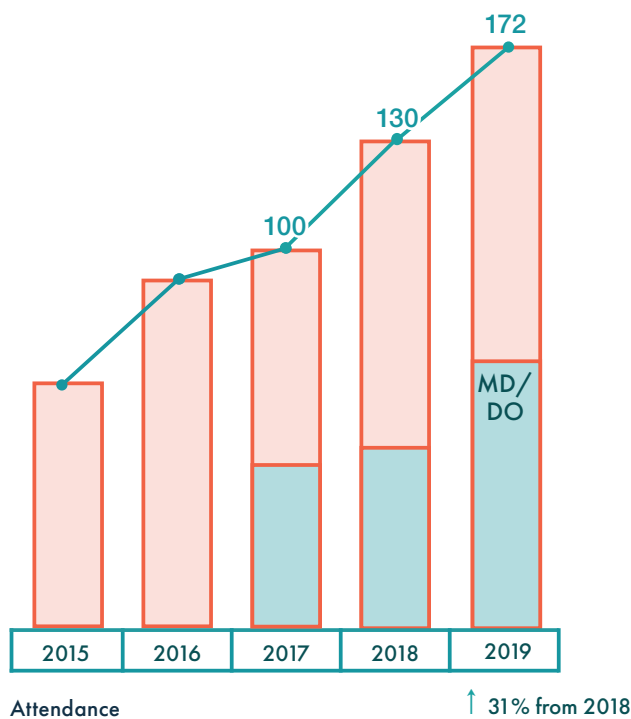

The Kaua'i Pain Conference partners with the Hawai'i IPA, Hawai'i Pacific Health/Wilcox Hospital, Tripler Army Medical Center, and Hawai'i Medical Services Association (HMSA) to build attendance.

Web, email, and print campaigns reach tens of thousands of clinicians in pain management, neuroscience, regenerative medicine and family practice.

### 2019 Attendance

Last year's Conference was the largest on record.

The meeting attracted more pain specialists from the mainland, while continuing growth with internal medicine, family practice, and palliative care physicians on the Islands.

### Top Specialties

### Setup & Tear-down

Exhibitors are responsible for return shipping and it is important to bring your own shipping supplies. The hotel does not supply waybills, and shipping forms can be difficult to find on the island.

Exhibits are required to remain in place throughout the conference. Exhibits may not be dismantled or packed prior to the official closing of the exhibition, and exhibit dismantling must be completed during the hours specified. Contact [Education@Neuroventions.com](mailto:Education@Neuroventions.com) in the event that special arrangements are required.

### Space Assignments

Exhibit locations are prioritized by the level of support, date that payment is received, special needs and compatibility of exhibitors' products/services, and your company's history of exhibiting at the Kaua'i Pain Conference.

Request your space by completing the **Exhibitor Application Form** at the end of this document.

### Shipping

Exhibitors are responsible for shipping their materials to and from the conference. **It is important to bring your own shipping supplies to Kauai.** The hotel does not supply waybills, and shipping forms can be difficult to find on the island.

## Rules & Regulations for Exhibiting Companies

### ACCREDITATION COUNCIL FOR CONTINUING MEDICAL EDUCATION (ACCME) GUIDELINES (ACCME C8, C9, SCS 3, SCS4)

No commercial promotional materials shall be displayed or distributed in the same room immediately before, during, or after an educational activity certified for credit takes place.

Representatives of commercial companies may attend an educational activity, but they may not engage in sales activities while in the room where the educational activity takes place.

Providing grants and/or other commercial support (financial or in-kind) for Continuing Medical Education (CME) activities does not influence booth space or assignment decisions. Exhibiting or otherwise advertising is not contingent upon the provision of an educational grant or other commercial support and may be purchased even if no grant is provided. Similarly, commercial support may be provided without advertising and is not contingent upon agreements to advertise or exhibit at the event.

Commercial entities may not discuss or influence the planning or presentation of CME content with speakers or planners of the activity.

---

### AUDIOVISUAL USAGE IN EXHIBITS

Company displays and materials are limited to the space and place of their exhibit. Materials may not be distributed outside of a company's exhibit space and booth/table displays may not extend beyond square footage associated with a vendor's exhibit location.

Audiovisual equipment as part of a display is acceptable; however, sound equipment must be regulated so that it doesn't disturb neighboring exhibitors (providing headsets for attendees is acceptable). In addition, spectators may not obstruct aisles or interfere with access to other exhibits.

Conference staff reserve the right to determine when sound levels from equipment constitutes interference with others or is unacceptable. In such an event, sound must be reduced or equipment will be removed at the exhibitor's expense.

Exhibitors are responsible for obtaining appropriate licenses for any copyrighted materials, audio, and/or video utilized as part of an exhibit.

---

### BOOTH DIMENSIONS

Exhibit displays may not exceed associated table-top or booth dimensions:

- 10'x10' for booths
- 6 linear feet for table-tops

For example, a table-top exhibit with 10' backdrop is not permitted and would need to be dismantled. If an exhibitor refuses to modify or dismantle a display to comply with this policy, the exhibitor's participation in the event will be canceled, and the display will be removed for them without refund.

## Rules & Regulations for Exhibiting Companies

### RESPECT FOR THE HOST LOCATION

Exhibitors may not install any permanent fixtures or deface property in any way. Upon completion of the meeting, exhibitors are expected to leave the exhibit space in the same condition that it was received.

Items and services, such as extra trash cans or wired internet, maybe contracted directly with the property and property's contractors (as applicable and available) at exhibitor's expense.

Balloons are not permitted as part of an exhibitor's display.

Photographing another exhibitor's booth is grounds for cancellation of an offending exhibitor's booth, at sole discretion of Neuroventions Education. Exhibitors will not be entitled to a refund in such a situation.

---

### EXHIBITOR STAFF

All members of an exhibitor's company attending the Conference must be registered for the event.

All company employees, representatives and guests are required to wear conference-issued exhibitor badges at all times, in an unobstructed manner, while in the function space. Badges may not be altered in any manner. Company badges are not acceptable in lieu of official conference badges.

Exhibits must be staffed each day during exhibit hours. Representatives are expected to dress and conduct themselves in a professional manner consistent with a medical education meeting.

Representatives and employees of Neuroventions Education shall have free access to any exhibit at all times in the performance of their assigned duties.

Exhibits are required to remain in place during the conference. Contact [Education@Neuroventions.com](mailto:Education@Neuroventions.com) in the event that special arrangements are required. No exhibit may be dismantled or packed prior to the official closing of the exhibition, and exhibit dismantling must be completed during the hours specified.

---

### ANCILLARY EVENTS

Ancillary events may not conflict with any educational sessions, exhibit hours, corporate showcases, or corporate symposium scheduled during the Conference.

- Scheduling, including transportation, must begin no sooner than 30 minutes before or after any activity during the Conference.
- All events require prior approval from Neuroventions Education in writing.

## Rules & Regulations for Exhibiting Companies

### DISPLAY OF DRUGS AND DEVICES NOT APPROVED BY THE FEDERAL FOOD AND DRUG ADMINISTRATION (FDA)

Any investigational product that is graphically depicted within the exhibit is subject to the following rules:

- Contain only objective statements about the product
- Contain no claims of safety, effectiveness, or reliability
- Contain no claims about how the product compares with marketed products
- Must be accompanied by directions for becoming an investigator and a list of investigator responsibilities
- Prominently display the statement “Caution— Investigational Device—Limited to Investigational Use” on the product in a type size that is easy to read

Exhibitors agree not to sell, promote, or distribute in any fashion any non-approved product, in whole or in part, during or in connection with the meeting to U.S. attendees. Exhibitors may, however, conduct sales activities for, and market and promote non-approved products, solely to attendees who are non-U.S. doctors, exclusively for sales outside the United States, provided that such activities are in compliance with the relevant laws of any such non-U.S. jurisdiction. In accordance with U.S. Law, exhibitors may not sell and deliver Non-FDA approved products to U.S. physicians at the meeting. Exhibitors may sell and deliver Non-FDA approved products to non-U.S. physicians as long as they adhere to all applicable U.S. laws and regulations.

You can find further information and guidance on the subject at [www.FDA.gov](http://www.FDA.gov).

Penalties for non-compliance to the FDA rules and regulations include:

- Neuroventions Education, at its sole discretion, will immediately shut down the exhibitor’s booth for the remainder of the meeting
- The exhibitor will not be entitled to a refund
- The exhibitor may face legal action from the U.S. government for failing to comply with the appropriate rules and regulations
- The exhibitor may not be invited to participate in future meetings

Easily visible signs stating “This device is not cleared by the FDA for distribution in the United States” or “This device is limited by federal law to investigational use only” must be placed near the device or drug and on any graphic depicting the device or drug.

## Rules & Regulations for Exhibiting Companies

### EVENT PHOTOGRAPHY AND/OR VIDEO

Photographs and/or video will be taken by Neuroventions Education/KPC. By taking part in this event you grant the event organizers full rights to use the images resulting from the photography/video filming, and any reproductions or adaptations of the images for fundraising, publicity or other purposes to help achieve the group's aims. This may include (but is not limited to) the right to use them in printed and online publicity and social media applications.

---

### GIVEAWAYS

Giveaways of items with company logos, brand logos, or slogans readily visible are NOT permitted at the Kaua'i Pain Conference.

Companies regulated by the Pharmaceutical Research and Manufacturers of America's (PhRMA) codes governing interactions with healthcare professionals and the Advanced Medical Technology Association (AdvaMed), will be limited to giveaways allowed under such rules and codes of conduct. These items are those designed primarily for the education of patients or healthcare professionals. Due to these codes, companies regulated by PhRMA or AdvaMed are not allowed the following giveaways: pens, pencils, notepads, small desk clocks, pocket calculators, desk calendars and mouse-pads.

Prescription drug samples may be distributed to physicians only in accordance with the Prescription Drug Marketing Act. Distribution of approved items must not create a nuisance or cause interference with adjoining exhibits.

## Cancellations & Additional Terms

Written cancellation notice must be received via mail or email by January 15, 2020 in order to receive a 50% refund on the full amount of the contracted exhibit/sponsorship. No refunds will be processed after this date.

If the conference cannot take place due to acts of God, war, government regulations, disaster, strike, civil disorder, or curtailment of transportation facilitating other emergencies making it inadvisable, illegal, or impossible to provide the facilities or to hold the meeting, each prepaid registrant/exhibitor will receive a copy of all materials that would have been distributed. Fixed conference expenses will be paid from the pre-registration funds. Remaining funds will be refunded to pre-registrants. Neuroventions Education is not responsible for any other costs incurred by pre-registrants in connection with the conference.

This is an application to exhibit. All exhibitor applications are subject to review and approval by Neuroventions Education. Moreover, we reserve the right to deny exhibitor privileges to any applicant.
